BALTIC COUNCIL
FOR INTERNATIONAL EDUCATION

YOUR NEXT GENERATION
of International Students

Join the Days of International Education
Poland, September 2025

Discover one of Europe's most dynamic and rapidly growing student markets.

Poland is an emerging hub for international student recruitment – home to a highly-educated population, increasing global mobility, and parents willing to invest in international education. With over 65,000 Polish students already abroad, this is a market you can't afford to ignore.

Why Exhibit in Poland?

39+ million population – 6th largest EU country

65,000+ students abroad and growing every year

70+ IB schools preparing students for study abroad

Excellent English proficiency, strong international mindset

Families ready to invest in high-quality international education

Over 100.000 international students currently in Poland

3 Cities • 3 Prime Locations Maximum Impact

Wrocław - 11th September 2025
Hotel Mercure Wrocław Centrum

major academic hub, home to several prestigious universities and research institutions

Warsaw - 13th September 2025
Hotel Radisson Blu Sobieski

Poland's capital and largest city, is a dynamic hub of business, culture, and education, offering access to a diverse, ambitious, and globally-minded student population

Gdańsk - 14th September 2025
Radisson Hotel & Suites

a key city in Poland's vibrant Tricity area, strong academic traditions, a growing economy, an ideal location to engage with forward-thinking students seeking international education

Why This Fair?

- Direct access to students, parents & school groups
- Target three major cities in one trip: Wrocław, Warsaw, Gdańsk
- Premium hotel venues, strong local promotion, and a professional setup
- Baltic Council - 25+ years of experience = trusted recruitment brand
